

One Day Seminar
On
“Drug Abuse Awareness and Prevention”.
Bacha Khan University, Charsadda
13th September, 2018

A one Day Seminar on “Drug Abuse Awareness and Prevention” was organised by Office of Research, Innovation and Commercialization (ORIC), Bacha Khan University, Charsadda in collaboration with the Ministry of Narcotics Control, Government of Pakistan, Islamabad on 13th September, 2018, at the main hall of the University. More than 200 students, faculty and other staff of the University attended the seminar.

The main objectives of the seminar were to create awareness among the youth of the University on the increasing addiction of drugs and its control measures. The Vice Chancellor, of the University, Prof. Dr. S. M. Saqlan Naqvi, in his remarks highlighted the importance of the seminar and its role in the prevention of the drug abuse. On this occasion Director, ORIC, Director, Administration and Chief Security Officer of the University also spoke and stressed upon the students to help control the drug abuse in the society in general and the University particular.

Mr. Akbar Ghani Khattak, representative of the Ministry Narcotic Control (MNC), Islamabad, gave a detailed presentation on the topic. He in his presentation highlighted various factors of drugs addiction, basis of drugs, signs and symptoms its addictive, psychological and social effects. At the end a documentary on the drug use in the area was also presented which was appreciated by the audience.
