INTRODUCTION (Time New Romans Bold, font size 12 Capital)

- It should provide a brief description to explain the area of the proposed research work by the researcher
- It emphasized on the significance/ importance of the research work/study.
- Research gap shall be included in the end of introduction
- Text line spacing should be 1.5".
- Scholar can add sub sections if he/she feels them essential
- Socioeconomic benefit
- In-text citation should be with et. al., system.
- Example:
(Shah, 2026), (Shah and Ali, 2026) and (Shah, et. al., 2026) (Last name of the authors should be mentioned in in-text citation).

AIM AND OBJECTIVES (Bold, font size 12) (As per requirement of faculty)

A scholar is supposed to mention aim and objectives of his/her research to be carried out during the course of his/her respective degree. This section must be easily understandable and numbered in roman numerals as i, ii, iii, and so on. (Number of objectives may be as per the requirement of research work or to be determinant by the GSC).

METHODOLOGY (bold, font size 12, Capital)

This part of synopsis should contain how a scholar will conduct the experimental work/survey/interviews etc. Which type of instruments will be used and under which conditions the research would be carried out. How the scholar will optimize various conditions and problems encountered during the study would be addressed.

PLAN OF WORK (bold, font size 12)

Plan of work should outline the phase-wise distribution (Tabulated form) of the conduct of proposed research for the degree pursued in accordance with the University's M.Phil and Ph.D rules.

REFERENCES (bold, font size 12 capital)
