

EVENT REPORT

“BLOOD CAMP_2018” Arranged By Blood Donors Society”

BACHA KHAN UNIVERSITY CHARSADDA

OVERVIEW:

Bacha Khan University Charsadda has a reputation of quality education nationally and internationally. It has always been pioneering every innovation and activity for the betterment of educational system, society and country. Besides, it has always addressed every situation by the excellence of skills and professionals it has. It has been arranging seminars, workshops, conferences, events, festivals etc to enhance skills and learning of the youth, providing opportunity for the corporate sector to directly interact with the core talent of the provinces and ultimately to convey the message of peace, harmony, integrity and nationhood from the deprived and critical region of Pakistan.

The student of the said university has also suffered a lot from direct terrorism threat on 20th Jan 2016. The students of the said university has paid from their blood to fight against the terrorism and fought against the terrorism. Since then the university had a distinction of fighting against terrorism and for the restoring peace in this land. About 18 students were martyred.

Therefore, keeping the trend and traditions alive, **Blood Donors Society bacha khan University Charsadda** organized a blood camp on 30th October 2018 in Collaboration with **Frontier Foundation Peshawar** for the Patients of **Thalassemia & Hemophilia & Leukemia**.

ABOUT BLOOD DONORS SOCIETY:

Serving humanity is one of the core ideologies of education at Bacha Khan University Charsadda. Following this belief Bacha Khan University Charsadda inaugurated the blood donor's society for the purpose to arrange the blood, timely in case of any emergency. The inauguration was held at the Main Auditorium of the campus. This was a landmark achievement for the organization in the field of public welfare. The Blood donors society B.K.U.C was inaugurated by the Honorable Vice Chancellor **Prof.Dr.Saqlain Naqvi**. The event was graced by presence of **Prof.Dr.Shakoor Wisal & Mr. Abdullah**, in charge of blood donors Society and university faculty members. Blood donor's society Bacha Khan University Charsadda is a team consisting of 12 students.

The Blood Donor society started with more than five hundred verified donors. The purpose of BDS is to provide link between donors and receivers of blood. The establishment of BDS is an effort to serve the Humanity in one of the critical circumstances where a life is endangered. “Blood is Meant to Circulate, Pass it around”
